

RAYS OF **Kindle** LEARN

THE **Kindle Kare**™ EXPERIENCE

Kindle learning with care...

Assembly time: Prayer marks the beginning of the day at Kindle Kare. All the students line up in the common hall seeking God's blessings. We follow only the religion of Love. The Prayer is followed by warm up exercises, the Birthday Song, the National Song and National Anthem.

Free talk time: After departing to their classes, the students and teacher greet each other and have a free talk session strengthening bonds. Each child freely talks which fosters communicative skills and also helps teacher to understand the child better.

Concentration technique: Children actively participate in yogic activities, mind games and slide into the silent activity session to step up concentration.

Literacy time: First a recap session is held along with Phonetic sessions followed by age specific Individual Reading and Writing time. Worksheets Enhancing Numerical Skills and Spatial Learning are also done.

Rhyme time: Subject related rhymes are sung along with theme related action songs which is spread over the year.

Activity time: Children engage in activities to promote development of Motor Skills, Social Emotional Skills, Sensorial Skills, Creative Art, Colouring, Dance, Music, Team activities, Games, Experimentation, Cooking, Field trip & Social Awareness, Interest Area, Dramatics.

Snack time: Instilling disciplined food habits along with the healthy food chart helps discriminate healthy and unhealthy food; Exposes the child to table mannerisms.

Story time: Puppet shows and Role plays help children fit into a particular character's shoes imbibing good and desirable values. Narrating stories improve communication skills and building stories help unfold imaginary and creative skills; Children also develop social skills by interacting with each other and working in teams.
